♩ = 130

Lo - tus  
Lo - tus

Daugh - ter  
Daugh - ter

Lost your heart,  
May seem strange

but don't you lose  
to go through so

your mind. Hearts do heal wi - ith time,  
much change, as'your heart'becomes re - a - a - r - r - a - n - g - e - d,

And Lo - tus Daugh -  
But Lo - tus Daugh -

- ters al - ways make i - it through.  
- ter, you will make i - it through.

Vocalists are encouraged to improvise an alternate melody  
and timing of notes. For examples, see video of Michelle's performance.

Life in this cra - zy stand a - and stare it's hard to re -

mem - ber you're on your wa - ay so - ome - where.

Think of

wa - ter, Moves a - long and some-times moves

too strong, and you think you can-not ha-ang on, But lose your grip

and you'll still make it there.

Life in this cra - zy stand a - and stare it's hard to re -

mem - ber you're on your wa - ay so - ome - where.

Life in this cra - zy stand a - and stare it's hard to re -

mem-ber you're on your wa - ay so-ome - where. Lo-tus Daugh-ter

Lost your heart, but don't you lose your mi-i-ind.
